Winners Announced for 23rd Annual Digital Health Awards® (Fall Session)

LIBERTYVILLE, IL – The Health Information Resource CenterSM announced the winners in the fall session of its 23rd annual **Digital Health Awards®** which honors the world's best digital health resources. The competition, which is held twice yearly, featured 65 categories in the following entry classifications: Web-based Digital Health; Mobile Digital Health Resources; Personal Digital Health Devices / Wearables; Digital Health Media / Publications; Digital Health – Social Media; and Connected Digital Health. A panel of 35 experts in digital health media served as judges and selected gold, silver, bronze, and merit winners from more than 500 entries.

Fall 2021 Gold Award winners included *AARP* (Article); *WebMD Health Services* (Medical Illustration); *Paradigm Medical Communications* (Medical Education); *American Institute For Cancer Research* (Website); *Sharecare* (Video); *American Heart Association* (Twitter); and *Nurse.org* (Audio). A complete list of winners and entry categories can be found at digitalhealthawards.com.

The Health Information Resource CenterSM (HIRC), organizer of the **Digital Health Awards**, is a national information clearinghouse for professionals who work in consumer health fields. Other well-known HIRC programs include the annual **National Health Information AwardsSM** (healthawards.com), which annually recognizes the nation's best consumer health information (in non-digital formats).
